TVL maintains this website as a health information resource for educational and informational purposes.

It is not provided as a professional service or as medical advice for specific conditions, but rather provides general information about certain health and medical conditions.

It is not a substitute for professional medical advice. If you have, or suspect you may have, a health condition, you should consult your healthcare provider for specific medical advice.

This website provides links to other health care resources that we make available simply as a convenience to our users. We do not control or endorse any such other sites, or any products or services sold on such other sites, and disclaim any responsibility for the content of such third party sites. Any reference to specific products or services on such other sites does not constitute or imply recommendation or endorsement by TVL.

Users of this site assume full responsibility for their use of the information obtained from this site, and understand and agree that PAML is not responsible or liable for any claim, loss or damage arising from the use of the information.

TVL does not recommend, endorse or promote any procedure or intervention that may be discussed on this site, and which may be prohibited by TVL's Mission and Core Values.
